

NEBRASKA WEEKLY SUMMARY
Recap For Week Ending
July 13, 2013
Receipts: This Week: 8,640 Week Ago: 3,150 Year Ago: 22,245

Compared to last week steers and heifers over 800 lbs. sold steady to weak, under 800 lbs had no good price comparison; slaughter cows and bulls sold steady to 2.00 lower. Several areas of the state are extremely dry and that could force more light weight calves to be sold. Feeder cattle trading was fairly active with many buyers in the seats for Ericson Spalding Annual BBQ Auction July 13 offering close to 4100 head. Feeder supply this week included 55 percent steers with 85 percent of the run over 600 lbs. Live slaughter cattle prices mostly steady at 120.00-121.00 and dresses sales mostly 1.00 lower at 193.00.
